PANEL OF EXPERTS

Dr. Murari P. Tapaswi
Rtd. Chief Scientist (G) (Librarian)
CSIR-National Institute of Oceanography, Goa

Dr. Murari P. Tapaswi retired as Chief Scientist (Library and Information) from the CSIR-National Institute of Oceanography (NIO) at Goa (1979-2013). With his deep interests in the Scientometrics, he was actively involved in organization, dissemination and assessment of scholarly literature published by the institute's researchers. Besides, he also assisted experts in shortlisting the applications received for various fellowships, scholarships by the three Science academies of India using scientometric techniques. Use of such techniques have an advantage of objective evaluation over the interviews (subjective evaluation technique). He handled several national and international projects and was associated with UN Agencies activities. On his retirement, he also worked for the Goa University in the Directorate of Internal Quality Assurance (2014-19). During this period, the UGC seriously considered of providing lists of journals to the Academic community in HEIs for publishing their research results. Dr. Tapaswi, being working for the Quality Assurance, this development was also of great interest to him. He had an opportunity to share his ideas and experiences on topics of such interests on various platforms with the academic and research community.

Dr. I.R.N. Goudar
Adjunct Professor
